

For this activity, ask students to imagine the ideal University for them. What would it be like? What would it be known for? Use symbolism in the seal to represent the University of You.

This activity is meant to promote college awareness, and an understanding of the college search process. It's a silly and fun way to talk about values and dreams with 6th graders.

UNIVERSITY OF _____

Motto:

Mission/Values:

Size:

Location:

Known For:
