ENVIRONMENTAL STEWARDSHIP

## AT-RISK ECOSYSTEMS FOCUS:

Help restore critical ecosystems and improve climate resilience on parks, public, or tribal land.

## ENVIRONMENTAL EDUCATION FOCUS:

Teach environmental education programs to create healthier communities for all.

*Your service must primarily benefit underrepresented, low-income, and/or marginalized students, their families, or community members. 300 and 450-hour terms of service available. 20% can be professional development and training.*
